2017 Chemical Safety Day Program

Participant Reply/Information Form

To better serve your school please provide as much as possible of the information requested below. Please discuss this opportunity with colleagues to assess your school’s needs. Thank you for making your school, community, and the environment a safer place to work and live.

SCHOOL INFORMATION:

School: ___________________________ School District #: __________________

Address: __________________________

City/Zip: ___________________________ EPA ID # MN __________________________

All Participants are required to have a Federal Environmental Protection Agency Identification Number in order to participate in the Chemical Safety Day Program.

Check with your business manager, science instructors, bus maintenance and custodial personnel to see if your school, college or institution already has a federal “EPA ID Number.” If you do not, or are not sure, call your metropolitan county office or, if you are located in greater Minnesota, the Minnesota Pollution Control Agency for assistance at (800) 657-3864 or (651) 296-6300. www.pca.state.mn.us/waste/epaID

PERSONNEL INVOLVED: Please include the primary person involved with your school’s participation in the CSDP. Because teachers can be difficult to contact, please also include a summer contact.

Primary Contact:

Name: ___________________________ Title: ___________________________

Phone: (______) ___________________ Email: __________________________

Summer Contact:

Name: ___________________________ Title: ___________________________

Phone: (______) ___________________ Email: __________________________

Administrative Contact:

Name: ___________________________ Title: ___________________________

Phone: (______) ___________________ Email: __________________________

DEPARTMENTS THAT GENERATE HAZARDOUS WASTE:

Again, please discuss this opportunity with your colleagues in your school.
