

University of Minnesota – UM - Vendor #0000003533
Workrite Keyboard Trays
December 2010

Articulating Keyboard With In-line Mouse Surface

This system features our most popular platform for straightaways combined with the Pinnacle 2™ Value arm. In-line mouse surface provides ability to quickly reverse position of keyboard and pointing device.

Adjustability

Equipped with a Pinnacle 2 Value adjustable keyboard arm with:

- No-knob, no-lever height adjustment
- Dual adjustable lift-assist springs provide optimal balance and smooth movement

Durability

The Standard System meets or exceeds the ANSI/BIFMA standards for performance, durability, and cycle testing, and is backed by Workrite's Limited Lifetime Warranty

Mouse trap keeps mouse on platform and can be easily moved to either side

Pinnacle 2 Arm provides -15° to +10° tilt

Includes tilt indicator gauge for accurate tilt adjustment
