

Another Leap forward.

We've made our best-selling Leap chair even better. Superior back support, adjustable arm rests that retract up to three inches, improved environmental performance, an updated design and new finish options.

- Good managerial/task chair
- Optional T arms with horizontal telescoping pivot arms
- Separate upper and lower back tension adjustments
- Seat edge angle control
- Adjustable depth seat
- Model #462-16179

List Price: \$1,301
